STANDARD SEAT CUSHIONS - 1 year

The Manufacturer warrants all standard seat cushions against abnormal loss of foam resiliency for one (1) year from the date of purchase to the original residential purchaser. Do not confuse normal softening that occurs in all foam with actual loss of resiliency. The Manufacturer offers several different styles of cushioned seating to achieve the desired comfort and appearance. Seat and back cushions will conform to its user with use and aging. All fiber and fiber foam combinations should be fluffed regularly to retain even distribution of fibers. To keep your new purchase in best condition, we suggest vacuuming and, if reversible, turning the cushions over on a regular basis for prolonged cushion life.

DOWN BLEND (DB) SEAT CUSHIONS - Lifetime Limited Warranty

The manufacturer warrants all down blend (DB) cushions against abnormal loss of foam resiliency to the original residential purchaser for the lifetime of the product. FABRIC - 1 year

Although the mills offer us no warranty, the Manufacturer warrants all upholstery fabrics against defective material and seam slippage under conditions of normal use and prescribed cleaning for one (1) year from the date of purchase. Zippers and stitching are warranted for one (1) year against failing. Visible defects such as rubs, tears, or holes should be reported to the retailer within 30 days after receiving the product. Fabric damage or failure due to chemical treatments applied by the retailer or consumer, heavy soiling, or improper cleaning will void this warranty. For major cleaning, consult with your retailer or a professional furniture cleaning service. Since manufacturers of upholstery fabrics do not guarantee products for wearing quality, color fastness, fabric shrinkage, fiber migration, pilling, wrinkling or stretching, these properties are not covered under this warranty.

LEATHER - 1 year

On all 100% top grain cowhide leathers and top grain leather/vinyl splits, the Manufacturer warrants the leather against splitting and tearing for one (1) year from the date of purchase under normal household usage. Zippers and stitching are warranted for one (1) year against failing. Visible defects such as rubs, tears, or holes should be reported to the retailer within 30 days after receiving the product. This warranty does not include coverage for natural markings, wrinkling, stretching, or variations in grain or color. These are nature's signatures and prove the authenticity of the leather. These distinguishing marks should not be considered defects. Claims due to cuts, burns, pet damage, damage caused by contact with rough or sharp objects, or damage from acts of God are excluded from this warranty. This warranty also does not cover spills such as acid, dyes, wine, solvents, any corrosive chemicals, ink, paint, or body fluids. The following will void this warranty: evidence of excessive soiling, improper cleaning, abuse, negligence, treating the leather with chemical products applied by the retail dealer or the consumer, as well as fading due to exposure of the leather to the sun, extreme heat, or bright lights.

ALL OTHER FURNITURE PRODUCTS AND FINISHES

All parts, components, and other furniture products not specifically included in the above warranties, including but not limited to, bedroom furniture, dining room furniture, occasional tables, entertainment centers and accent pieces, as well as finishes, are warranted to the original residential purchaser for one (1) year from the date of original purchase, to be free from defects in materials and workmanship under normal household use and conditions.
